Professional Summary

Mining engineer holding a Second Class Manager Certificate of Competency (Unrestricted, Coal) with 2+ years of practical underground and opencast mining training. Currently pursuing M.Tech in Fuel & Energy Engineering at IIT (ISM) Dhanbad, with research focus on coal–biomass co-gasification for hydrogen-rich syngas production.

Education

Indian Institute of Technology (ISM), Dhanbad <i>M.Tech in Fuel & Energy Engineering Pursuing</i>	2025 – 2027 Dhanbad, Jharkhand
Bachelor of Technology in Mining Engineering (85.0%) <i>Jharkhand Rai University</i>	2021 – 2024 Ranchi, Jharkhand
Diploma in Mining Engineering (81.13%) <i>Pakur Polytechnic</i>	2018 – 2020 Pakur, Jharkhand
Intermediate (Class XII) — J.A.C. Board (54.6%) <i>S.B.S. Inter College</i>	2016 – 2018 Japla, Jharkhand
Matriculation (Class X) — J.A.C. Board (67.2%) <i>R.K. High School</i>	2015 – 2016 Haidarnagar, Jharkhand

Key Coursework

Fuel & Energy: Fuel Technology, Energy Technology, Coal & Biomass Energy, Biofuels, Liquid & Gaseous Fuels, Alternative Energy
Power & Mineral Processing: Power Plant Engineering, Coal Beneficiation, Mineral Processing, Mineral Economics
Modelling & Sustainability: CFD & Process Simulation, Life Cycle Assessment (LCA)

Technical Skills

Fuel & Energy: Fuel Technology, Coal & Biomass Energy, Biofuels, Alternative Energy, Liquid & Gaseous Fuels, Energy Conversion
Mining & Mineral Processing: Coal Beneficiation, Mineral Processing, Coal Mining Operations, Mine Safety & Management
Simulation & Analysis: CFD, Process Simulation, Life Cycle Assessment (LCA), Energy Analysis
Computer Skills: MS Excel, MS Word, Google Sheets, ADCA (1-year Advanced Diploma in Computer Applications)

Professional Certifications

- **Second Class Manager Certificate of Competency – Unrestricted (Coal)** — DGMS
- **Overman Certificate of Competency; Gas Testing Certificate of Competency**
- **First Aid Training Certificate**

Experience

- Central Coalfields Limited (CCL)**
Practical Mining Training – Underground & Opencast
- Completed **1-year Post-Diploma Practical Training (PDPT)** at CCL, NK Area.
 - Completed **6-month vocational training** at CCL, NK Area.
 - Completed **1-month vocational training** at CCL Churi and **1-month** at KDH Opencast Coal Mine, NK Area.
 - Gained exposure to mine operations, coal production practices, underground workings and opencast mining.
- Eastern Coalfields Limited (ECL)**
Underground Working Training
- Completed **1-year practical underground working training** at Kenda Area, ECL.

Projects

- Co-Gasification of Coal and Biomass for Hydrogen-Rich Syngas Production** IIT (ISM) Dhanbad
- Investigating coal–biomass co-gasification for hydrogen-rich syngas generation and enhanced energy conversion.
 - Analysing the effect of feedstock characteristics and operating parameters on syngas composition and hydrogen yield.
 - Evaluating gasification performance and fuel-conversion potential of coal–biomass blends for cleaner, sustainable energy.

Achievements

- **GATE 2025 and GATE 2026:** Qualified in Mining Engineering.
- **NPTEL Soft Skills** (12 weeks) – IIT Roorkee; **NPTEL Soft Skill Development** (8 weeks) – IIT Kharagpur.
